# SUPERVISING PRINCIPAL

Dr. Telford Blough

For nearly 25 years we have written messages of congratulations, and good wishes to Conemaugh Township seniors. Always there has been a sense of urgency. A new high school, depression, war, cold war, another building program, and still we face an anxious world.

What can one say?

Only this: Life has never been exactly cozy for our graduates. Youth must face difficulties. Each generation has its own challenge. Each student has his own world to conquer.

First, he must be the master of his own soul. A sense of personal worth, a command of his habits and a drive to do what is right contributes to this goal. Each individual also must work out a personal religious philosophy to assure a deep sense of inner peace.

Second, observing more than 2000 CTHS graduates over the years has convinced me that those who succeed best are those who consider graduation the beginning of the education rather than its completion. Go to college or professional or technical school. Read. Study. Learn a trade. Know your job. Improve your home life. Accept the challenge and have faith in the future.

Again, to each member of the Class of 1962 we extend every good wish. Our hearts go with you as you face the world of opportunity. God bless you every one.

DR. TELFORD B. BLOUGH  
*Supervising Principal*

## PRINCIPAL

To the Class of 1962, my most sincere wishes for a happy and prosperous future. You have been an interesting group and a very teachable group.

A system of education which contributes to the sound health, the moral character, the deep loyalties, and a courageous spirit as well as to the academic knowledge and technical skills — of all people, is our best hope for the future.

# CLASSES

# CLASS HISTORY

To you, Conemaugh Township High School, to your faculty and your students, we want to say "thanks." Thanks for the work and the play, the guidance and the understanding, the dreams and hopes, and even the occasional heartaches that were a part of six wonderful years. Thanks for the memories!

As we march down that aisle on graduation night, many thoughts will be racing through our minds. Perhaps some of us will be remembering our first day in seventh grade — how little and scared we felt and the mistakes we made, or our eighth grade year, when we considered ourselves so important. Maybe some of our thoughts will be returning to our Freshman year, when we elected our first class deans and class officers. This was no problem. Mr. James Vizzini and Mrs. Mary Jane Hinish were unanimously chosen deans and we elected Telford Thomas president and Wayne Shetler vice-president. Pat Wainwright was chosen as treasurer and Laura Hart as secretary.

Who could forget our Christmas Dance, the real initiation into Senior High? We were Sophomores that year and the new additions to our high school were just being built, therefore our dance was held at St. Andrew's Hall. We have many pleasant memories connected with decorations for our dance, the theme being "Christmas Wonderland." To guide us through our sophomore year we again elected Telford president and Wayne vice-president. Our secretary was Mickey Oranchak and our treasurer was Pat Wainwright. Mrs. Erma May was elected as dean to replace Mrs. Hinish who resigned.

Then came the glory of being a junior! We chose Telford, president; Wayne, vice-president; Karen Good, secretary; and Andrea Lapp, treasurer. The theme for our Junior-Senior Prom was "Oriental Gardens." The decorations were pronounced beautiful and a wonderful time was had by all. We presented our Junior class play, "You Can't Take It With You," and added another important memory to our already growing collection. Then, in May, 1961, we received quite a jolt. With the Seniors graduating, we all realized, perhaps for the first time, that THIS WAS IT. The thought was quite sobering and we commenced our Senior and final year at CTHS with renewed effort.

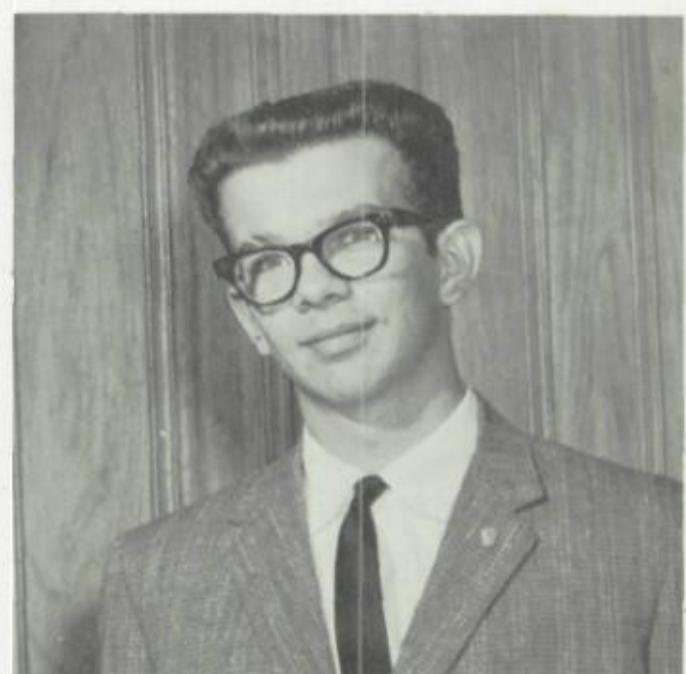

For the fourth consecutive year Telford Thomas and Wayne Shetler were elected president and vice-president. Darlene Hostetler was named treasurer and Karen Good secretary. Our Senior year was the best and most rewarding of all. We proudly took our seats in the middle section of the auditorium — THE SENIOR SECTION. The play cast did a very commendable job in the play entitled "Father of the Bride." We listened to our Alma Mater at the last football game and finally understood why there had been tears in the eyes of so many previous seniors. At last that great year of 1962 had arrived. It had seemed so distant to those seventh graders in 1956. Now, we find the years have passed all too quickly.

Yes, each of us will be reminiscing on that final night and each will be remembering his own experiences. But all of us will be silently saying: "Thanks for the memories!"

# **DEPARTMENTS**

## ENGLISH

Vince points out a few interesting places in London during the study of English literature.

These interested sophomores concentrate on the study of short stories and their structure.

Pat gives the class some facts about sentence punctuation while Mr. Vizzini looks on.

English is one of the most important subjects offered in the CTHS curriculum. The knowledge and correct use of English are essential to all students, regardless of future careers. CTHS students receive a total of six years of English, including the study of grammar and literature, and practice in writing, spelling, reading, and speaking.

"Yes, that's it!"

# SCIENCE

From this physics class will come the engineers of tomorrow.

Mr. Michaels explains the fundamentals of heat expansion in a closed container.

This biology class is becoming familiar with study aids available to them.

Look out, chemistry students!

An important phase in the education of the academic student is science. Beginning in the ninth grade with general science, he then studies biology in tenth grade, chemistry in eleventh grade, and physics or anatomy in the twelfth grade. With this background the student covers all the important phases of our present scientific knowledge.

## SOCIAL STUDIES

The study of the history of our civilization and the geography of our world will enable us to understand better the how and why of today's problems. Social studies gives us the appreciation of our ancestors in their struggle to create for themselves and their offspring a better and more modern way of life. It also teaches us to protect this heritage and to strive always for an improved world.

# MATH

Mathematics occupies a position of extreme importance in our jet-propelled society, and an adequate preparation of the student in this field is necessary. The math department of CTHS satisfies the needs of each student by offering courses in Algebra I and II, General Math I and II, plane geometry, college preparatory math, general and senior math.

## LANGUAGES

Chet gives the class information about the main Spanish-speaking country.

Two-year courses in Latin and Spanish are offered to CTHS students as language electives. Freshman academic students with the required grade average may take either of these languages, and other students may take it in their sophomore or junior years. A choice of Spanish, taught by Miss Kaufman, will give the student the skill to converse with our Spanish friends. Latin, with Mrs. Wonder as teacher, provides the student with a background for the English language and a study of ancient civilizations.

These Latin II students are diligently working to gain a more thorough knowledge of this language.

## LIBRARY

The library serves many purposes. Students use the library to study, to read a book, to find information, or simply to look at the magazines and newspapers. It is one of the most popular places in our school.

Mrs. Shirk gives most helpful advice to the many students who visit the library.

# COMMERCIAL

Mr. Dyer appears to be very contented with this law class.

Typing is just one of the eleven classes offered by the commercial department to those planning to enter commercial vocations. Our business-minded students are taught this skill by Mrs. Statler, Mr. Littlejohn, and Mr. Beckley.

Shorthand is another skill offered to the commercial student. A few other subjects offered are business law, transcription, retailing, bookkeeping, and business math. These commercial subjects are taught by Mrs. Statler, Mr. Littlejohn, and Mr. Dyer.

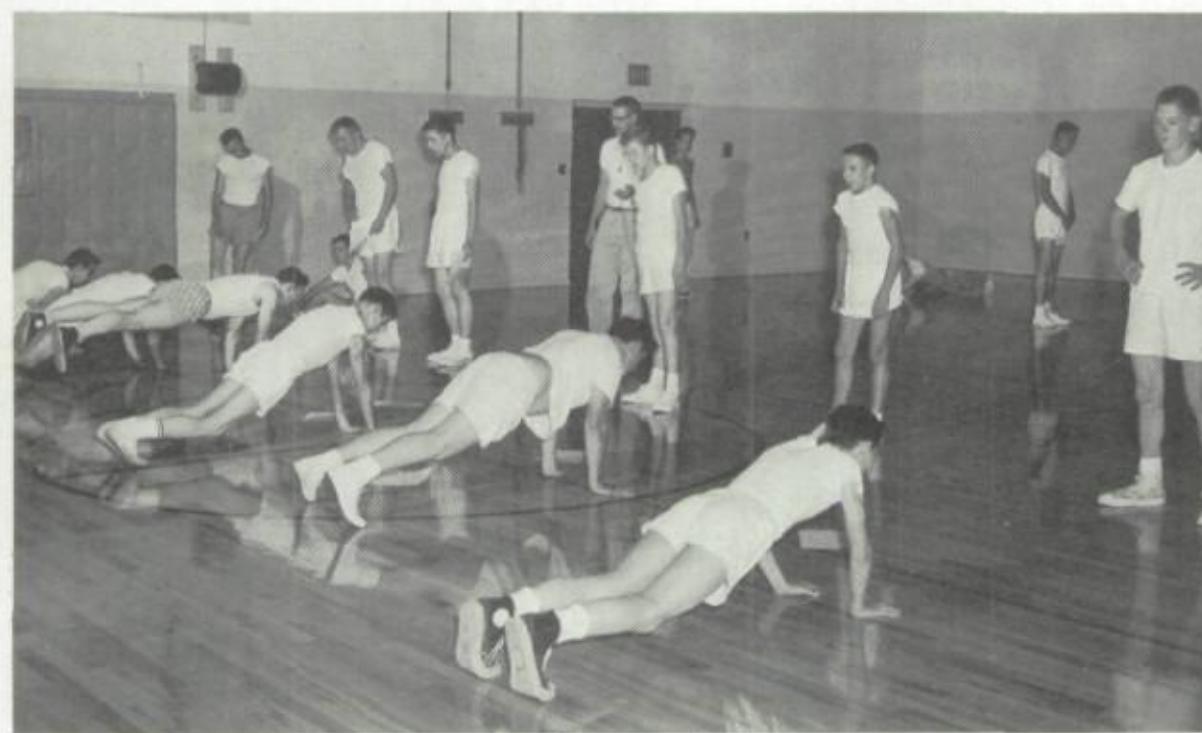

Mrs. Statler is teaching these commercial students the "short" way of writing.

## GYM

This gym class, led by Mrs. Ickes, learns an exercise that strengthens leg muscles.

Warm up period in a boys' gym class.

## HEALTH SPECIAL ED.

These combined health classes discuss the pros and cons of going steady.

With the use of records, the special education students learn the phonetic alphabet.

What industrious workers!

These ag students, under Mr. Ifft's guidance, are working on a number of different projects.

# SHOP AGRICULTURE ART DRIVERS' ED. HOMEMAKING

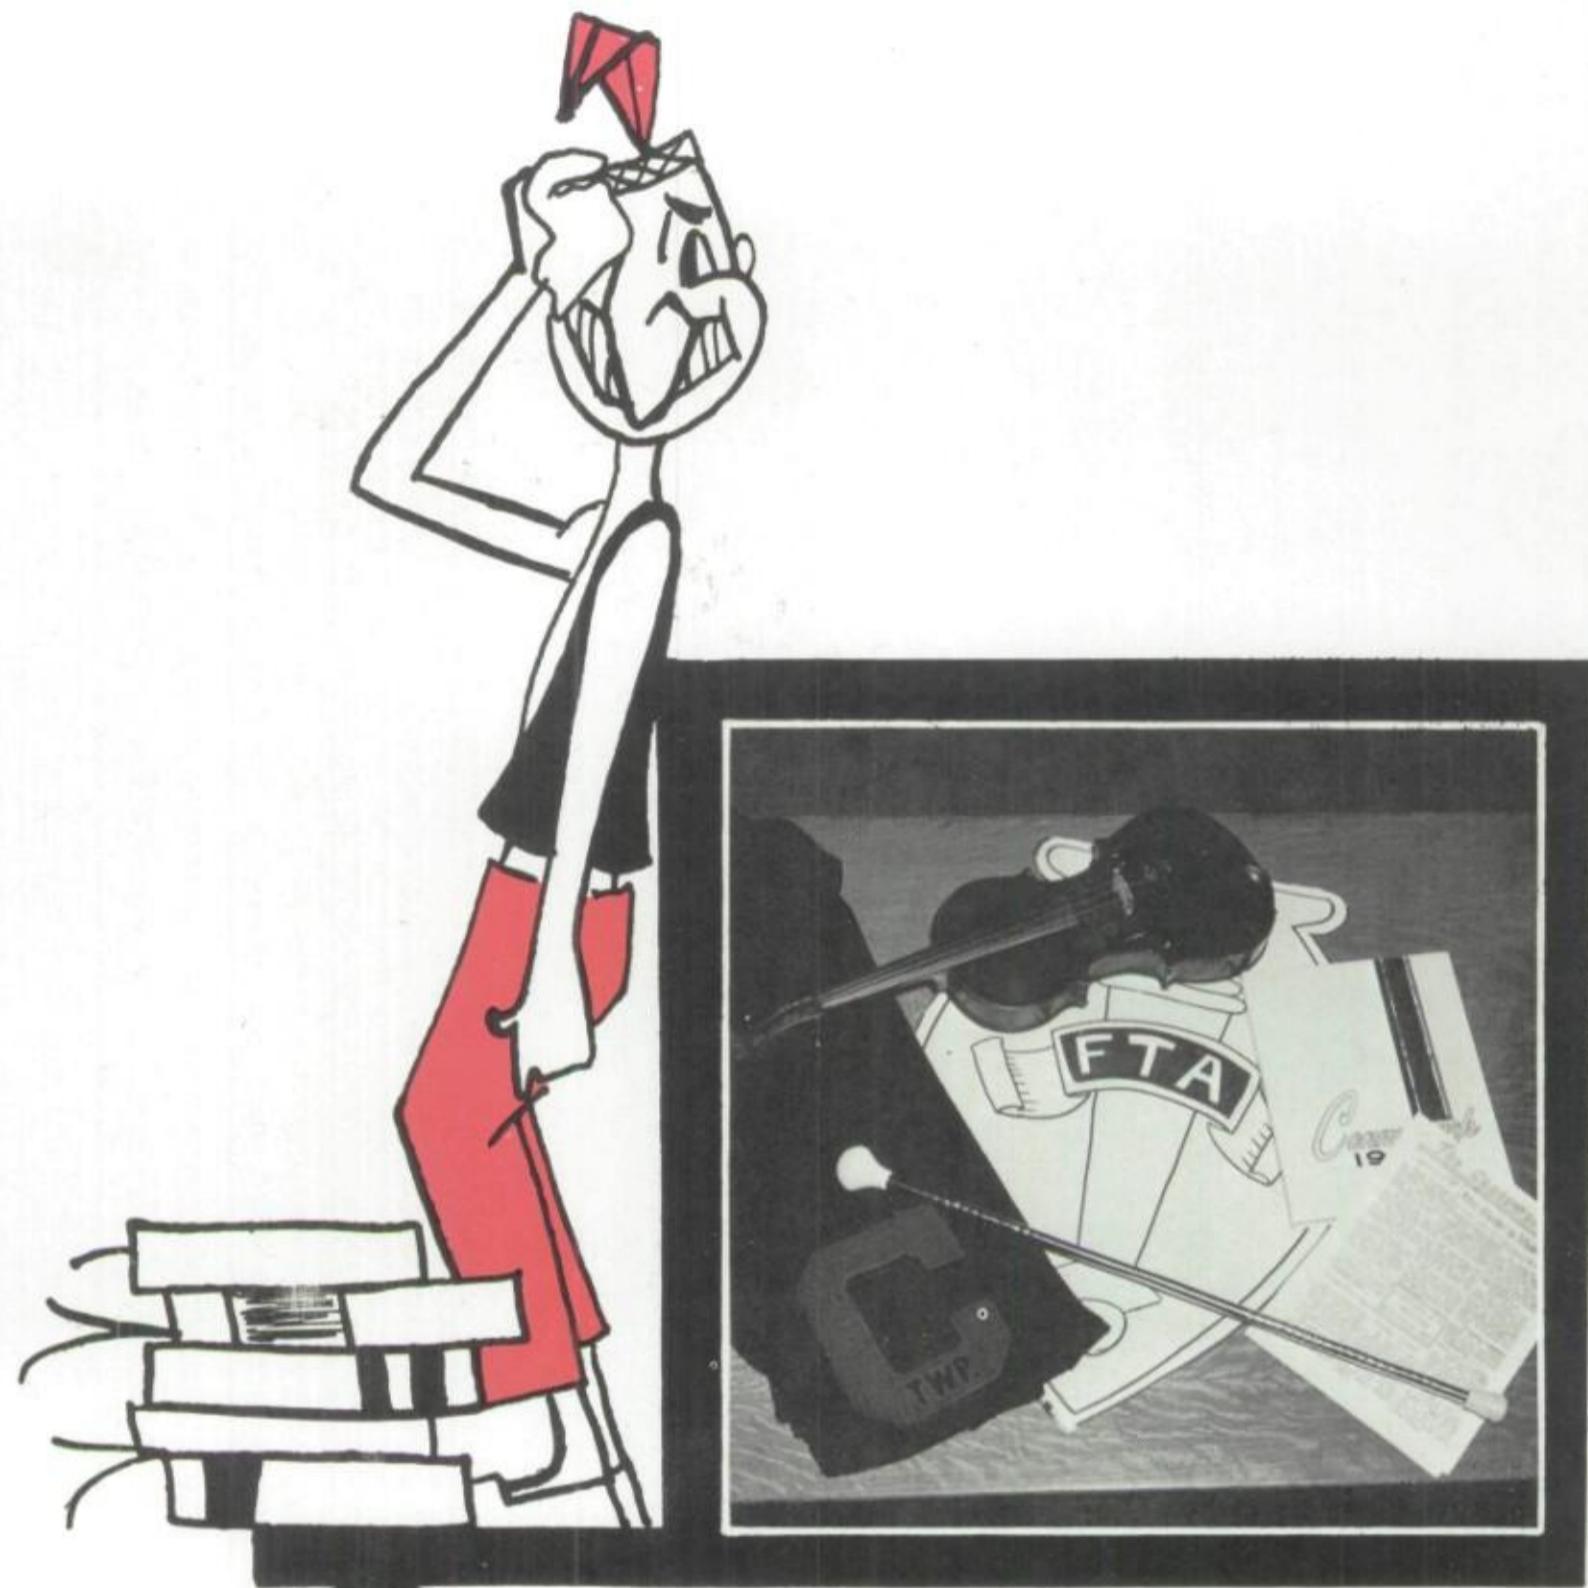

Art provides the opportunity to develop the student's creative abilities and allows him to experiment in different mediums.

By the smiles on the boys' faces, she's a "typical" woman driver!

"Oh, don't tell me I pinned it on backwards!"

A successful yearbook depends on the effort, time, and ability of the yearbook editors, advisors, and staff members. The production of this yearbook was due to the "blood, toil, tears, and sweat" of these earnest workers. It is they who deserve the credit for the success of the 1962 CONNUMACH.

## "YOU CAN'T TAKE IT WITH YOU"

The director, Mr. James Vizzini, and the student director, Evelyn Acitelli, did much to make this play a success.

Dot and Tel in one of the more enjoyable scenes.

"You Can't Take It With You" was staged through the efforts of these Juniors.

Mr. John Salay, instrumental director, takes great pains to teach these instrumental groups the art of playing and enjoying good music. Playing an instrument well is a skill developed through long hours of practice and with the guidance of Mr. Salay. The more advanced musician can become a member of one of the smaller groups or of the Senior Band.

The music of the sax quintet includes anything from Brahms to Brubeck.

"The Trumpeters Four"

The melodies of the brass ensemble can be enjoyed by all at the Spring Concert.

The woodwind quintet specializes in light, semi-classical music.

The Concert Band, composed of 100 pieces, participates in All-County Band and the annual Spring Concert.

The CTHS orchestra, one of the few in this area, performs many classical and semi-classical compositions.

The assembly band is becoming increasingly active, playing for assemblies and pep rallies.

Popular and jazz music is heard from this swinging group.

The graduating members of the band are indispensable — they think!

The seniors, being the most experienced, make up the main body of the orchestra, assembly band, and swing band. As the dominant group, they encourage the underclassmen to give their best so that the high standard of quality will be continued year after year.

CHOIR ACCOMPANISTS — Karyn Reichelt, Norma Younkin.

The Junior High Chorus gives fine performances at the Spring Concert.

There are many Junior High vocal groups which provide essential experience for the vocally talented in grades seven, eight, and nine. A few are the Girls' Trio, Girls' Ensemble, and Chorus. The accompanists for these groups have the job of assisting Miss Shaffer in her direction. Capable vocalists are chosen from these groups to fill the ranks of the graduating seniors in the Senior High choral groups.

These talented girls accompany the Junior High Chorus.

Linda Helsel, Pat Sala, Connie Kordell comprise the Junior High Girls' Trio.

The Junior High Ensemble is one of the larger choral groups.

# WINTER

Chit-chat time for the Seniors.

The annual Christmas Dance, sponsored by the Sophomore Class, was held on December 16, 1961, in the CTHS gymnasium. The theme "Winter Fantasy" was highlighted by a huge twelve-foot tall snowman, which was the center of attraction. Other decorative touches were elves peering from evergreens and brightly-colored lights and silver bells blinking from the walls and ceiling. Duke Andrews' Orchestra supplied the music. The Sophomores were well-rewarded for their hours of planning and decorating.

Who's the stranger in the group?

# FANTASY

Refreshments are welcome at any dance.

The smiling Sophomores view their masterpiece with pride.

The genial snowman smiles at his Sophomore creators.

# VALENTINE DANCE

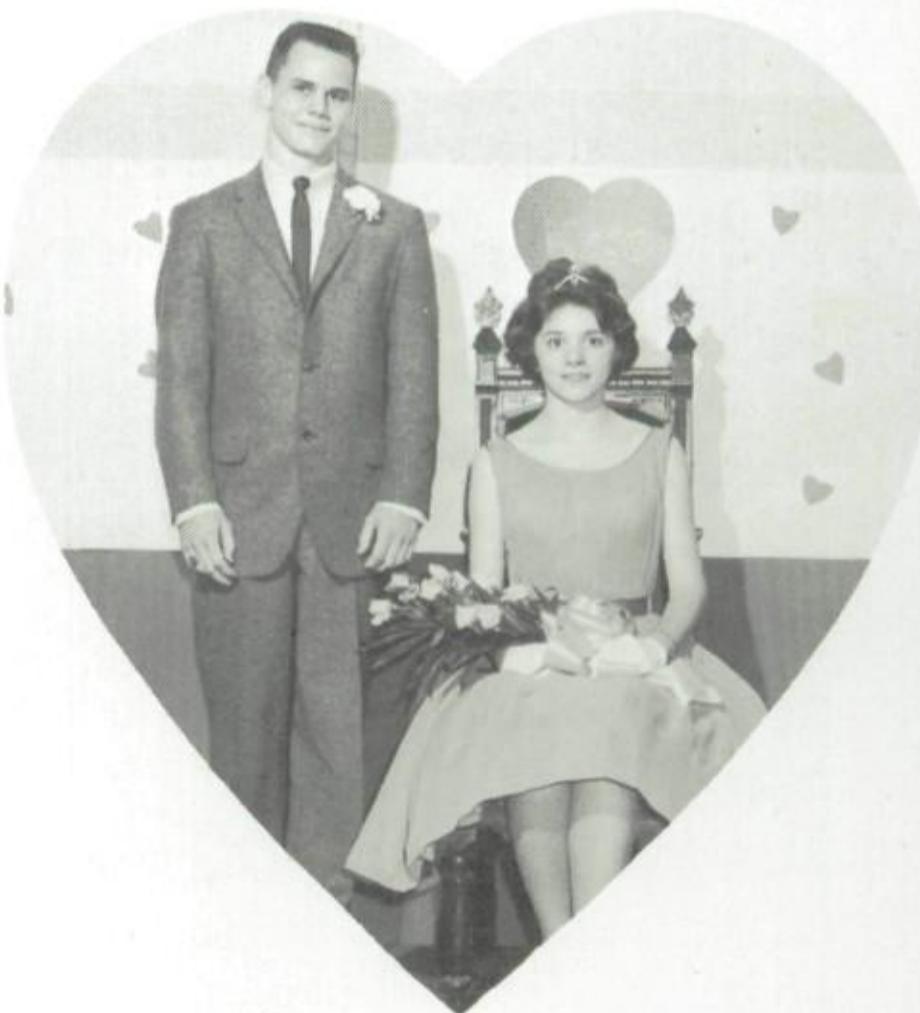

Queen Michaelene and King Wayne.

Junior Class Princess Pauline and escort, Bill Croyle.

The most romantic affair of the year, the Valentine Dance, was held February 10, 1962. Dancing to the music of the Dante Quartet, the couples admired the bright-colored decorations of hearts and cupids. After the coronation of the royal couple, Michaelene and Wayne, the Royal Court led the Grand March.

Sophomore Class Princess Kris and escort, Todd Peterson.

"I crown you Queen Michaelene."

Our Royal Court leads the Grand March.

The park served as a conversation corner for many couples.

This must be an amusing table.

Ah-huh! Caught in the act.

"Cookies anyone?"

# ORIENTAL

Wow!!

I attended the annual Junior-Senior Prom with \_\_\_\_\_ on the evening of \_\_\_\_\_.  
"\_\_\_\_\_ was the theme with beautiful music played by \_\_\_\_\_. After the dance we went to \_\_\_\_\_ and arrived home at \_\_\_\_\_ o'clock. I had a \_\_\_\_\_ time.

Are they wishing on the stars in the skies or the stars in their eyes?

Dancing sets the mood.

# GARDENS

"Oriental Gardens" was the theme for the annual Junior-Senior Prom. We danced to the music of "Nicky and His Men of Rhythm" under the enchantment of billowy white clouds and pink blossoms. Andrea Lapp provided the entertainment—a dance to "Caravan." The story-book evening was delightful and enjoyed by all.

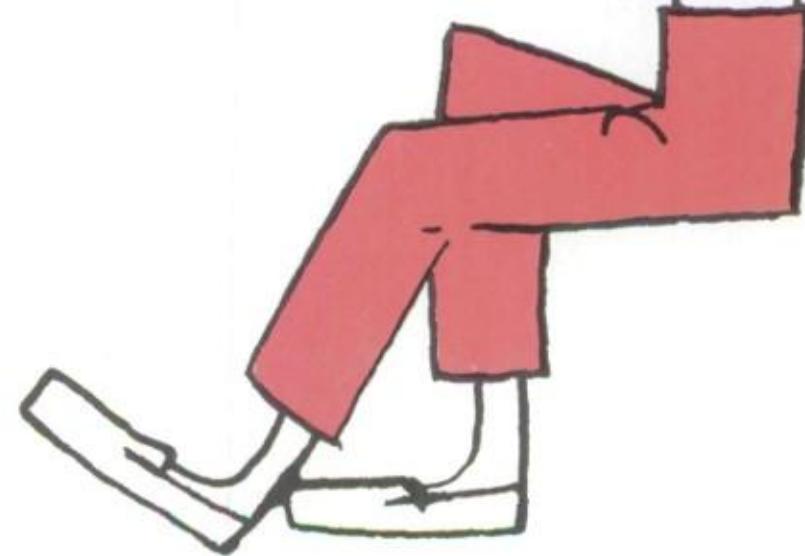

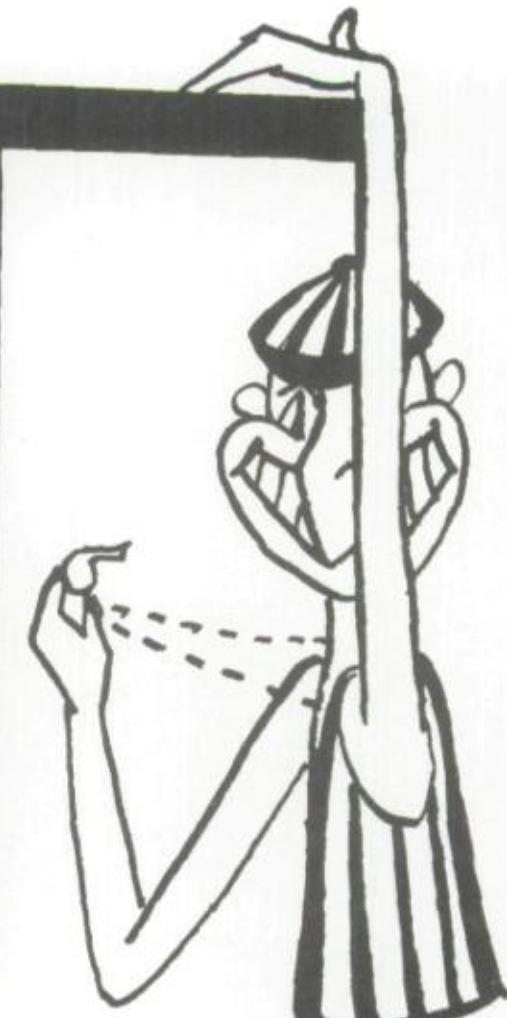

We like this one, John.

Beautiful scenery, eh, fellas?

Our teachers enjoy dancing to the music of "Nicky and His Men of Rhythm."

What's the rule on that one, coach?

Ted kicks a long one.
